

Test Report

Report No. : AGC00925210407-003

SAMPLE NAME: Cube

MODEL NAME: MFKZQ01LM

APPLICANT: Lumi United Technology Co., Ltd

STANDARD(S) : Please refer to follow page(s).

DATE OF ISSUE: May 12, 2021

Attestation of Global Compliance (Shenzhen) Std & Tech Co., Ltd.

Page 1 of 13

Applicant : Lumi United Technology Co., Ltd

Address 8th Floor, JinQi Wisdom Valley, No.1 Tangling Road, Liuxian Ave,

Taoyuan Residential District, Nanshan District, Shenzhen, China

Test Site 6/F., Building 2, Sanwei Chaxi Industrial Park, Sanwei Community,

Hangcheng Street, Bao'an District, Shenzhen, Guangdong, China

Report on the submitted sample(s) said to be:

Sample Name : Cube

Model : MFKZQ01LM

Brand : Aqara

Manufacturer : Lumi United Technology Co., Ltd

8th Floor, JinQi Wisdom Valley, No.1 Tangling Road, Liuxian Ave,

Address : Taoyuan Residential District, Nanshan District, Shenzhen ,China

Sample Received Date : Apr.29, 2021

Testing Period : Apr.29, 2021 to May 08, 2021

Test Requested: Conclusion

As specified by client, refer to EU Regulation (EC) No 1907/2006 (REACH), to screen two hundred and eleven (211) Substances of Very High Concern (SVHC) in the submitted sample. The list is the one that is published by European Chemicals Administration (ECHA) on January 19, 2021.
 As specified by client, refer to EU Regulation (EC) No 1907/2006 (REACH), to screen Eight (8) Public Consultations Substances of Very High Concern (SVHC) in the submitted sample.

Summary:

The concentrations of tested SVHC are $\leq 0.1\%$ (W/W) in the tested sample.

Pass

Jossie liang

Approved by:

Liangdan, Jessie.Liang

| Sample Name. | Part No. | Test Point Description |
|--------------|----------|-------------------------------|
| 100 | 1-1 | Metal mix |
| Cube | 1-2 | Non-metal mix |
| | 1-3 | Packaging mix |

Test Result:

| Part No. | Substances Name | Test | Result(%) | DI (0/) |
|----------|---------------------------------|-----------|------------------|---------|
| Part No. | Substances Name | Test Data | The Whole Sample | RL(%) |
| 1-1 | All test SVHC in candidate list | N.D. | ND | 0.01 |
| 1-2 | All test SVHC in candidate list | N.D. | N.D. | 0.01 |
| 1-1 | Eight (8) Public Consultations | N.D. | N.D. | 0.01 |
| 1-2 | Substances | N.D. | N.D. | 0.01 |

Any report having not been signed by authorized approver, or having been altered without authorization, or having not been stamped by the Bedicated Pesting/Inspection Stamp" is deemed to be invalid. Copying or excerpting portion of, or altering the content of the report is not permitted without the writter authorization of AGC. The test results presented in the report apply only to the tested sample. Any objections to report issued by AGC should be submitted to AGC within 15day after the issuance of the test report. Further enquiry of validity or verification of the test report should be addressed to AGC by agc@agc-cert.com.

Report No.: AGC00925210407-003 Page 3 of 13

| Part No. | Substances Name | CAS No. | Test Result(%) | RL(%) |
|----------|---|-------------|----------------|-------|
| a.G. | All test SVHC in candidate list | 10 <u>m</u> | N.D. | 0.01 |
| 1-3 | Eight (8) Public Consultations Substances | | N.D. | 0.01 |

Remarks

- 1.If a SVHC found over 0.1%, client is suggested to identify the component which contains the SVHC and the exact concentration of the SVHC by requesting further quantitative analysis from the laboratory.
 - 2. The report limit (RL)= Results below this value will be stated as N.D.
 - 3. N.D.=Not Detected (<report limit)
 - 4.As specified by client, the submitted samples were mixed to test.

Test Method: Refer to in-house method

Equipment: GC-MS/ ICP-OES/ HPLC/ IC/ UV-Vis/ GC-FID/ LC-MS-MS

Note:

- -*: Inorganic SVHC compounds are obtained by converting the test results of cobalt, chloride, sodium, arsenic, chromium, potassium, lead, boron, zirconium, titanium, phosphorus, calcium, zinc, strontium, molybdenum, aluminum and cadmium elements, and confirmed through the appropriate solvent extraction. At the same time, customers are suggested to check the chemical formula table, to further confirm whether above materials are contained.
- -**: All refractory ceramic fibres are covered by index number 650-017-00-8 in Annex VI of the Regulation on Classification, Labeling and Packaging of chemical substances and mixtures, the so called CLP Regulation (Regulation (EC) No 1272/2008).
- -***: C.I.:Colour Index
- -***: Light fractions from distillation
- -(1): In view of the substances are established as UVCB substances(substances of unknown or variable composition, complex reaction products or biological materials) consisting of different and variable constituents, the test results are calculated based on the main constituents of the representative compounds for substances.
- 2: In view of the substance contain variable substances, the test results are calculated based on main constituents of the representative compounds for the substances, and the test results of the representative compounds are calculated based on the result of specified heavy metal elements.

Test Flow Chart

*** End of Report ***

Conditions of Issuance of Test Reports

- 1. All samples and goods are accepted by the Attestation of Global Compliance (Shenzhen) Std & Tech Co., Ltd. (the "Company") solely for testing and reporting in accordance with the following terms and conditions. The company provides its services on the basis that such terms and conditions constitute express agreement between the company and any person, firm or company requesting its services (the "Clients").
- 2. Any report issued by Company as a result of this application for testing services (the "Report") shall be issued in confidence to the Clients and the Report will be strictly treated as such by the Company. It may not be reproduced either in its entirety or in part and it may not be used for advertising or other unauthorized purposes without the written consent of the Company. The Clients to whom the Report is issued may, however, show or send it, or a certified copy thereof prepared by the Company to its customer, supplier or other persons directly concerned. The Company will not, without the consent of the Clients, enter into any discussion or correspondence with any third party concerning the contents of the Report, unless required by the relevant governmental authorities, laws or court orders.
- 3. The Company shall not be called or be liable to be called to give evidence or testimony on the Report in a court of law without its prior written consent, unless required by the relevant governmental authorities, laws or court orders.
- 4. The non-CMA report issued by AGC is only permitted to be used by the client as internal reference use and shall not be used for public demonstration purpose.
- 5. In the event of the improper use of the report as determined by the Company, the Company reserves the right to withdraw it, and to adopt any other additional remedies which may be appropriate.
- 6. Samples submitted for testing are accepted on the understanding that the Report issued cannot form the basis of, or be the instrument for, any legal action against the Company.
- 7. The Company will not be liable for or accept responsibility for any loss or damage however arising from the use of information contained in any of its Reports or in any communication whatsoever about its said tests or investigations.
- 8. Clients wishing to use the Report in court proceedings or arbitration shall inform the Company to that effect prior to submitting the sample for testing.
- 9. The Company is not responsible for recalling the electronic version of the original report when any revision is made to them. The Client assumes the responsibility to providing the revised version to any interested party who uses them.
- 10. Subject to the variable length of retention time for test data and report stored hereinto as otherwise specifically required by individual accreditation authorities, the Company will only keep the supporting test data and information of the test report for a period of six years. The data and information will be disposed of after the aforementioned retention period has elapsed. Under no circumstances shall we provide any data and information which has been disposed of after retention period. Under no circumstances shall we be liable for damage of any kind, including (but not limited to) compensatory damages, lost profits, lost data, or any form of special, incidental, indirect, consequential or punitive damages of any kind, whether based on breach of contract of warranty, tort (including negligence), product liability or otherwise, even if we are informed in advance of the possibility of such damages.
